Mountain Exotic Gourmet™ Brand Yak Meat products are flash-frozen, packaged in clear cryovac packs, and shipped in an insulated container (with dry ice if necessary for longer/warmer climate shipments).

Your order to be shipped within the continental United States (except Florida) will be delivered by FedEx Ground, unless air freight is specified in your “Comments” to us. All other destinations must be shipped via air freight. **An insulated container/ dry ice/ handling fee of \$24.77** per order/ single destination will be added to the cost of your order automatically. For all FedEx Ground shipments, a **\$2.77 per pound freight fee will be charged automatically**. When air freight is specified or required, complete your on-line order as though being delivered by ground freight, but in “Comments” to us via e-mail, specify air freight. The additional cost of the air freight will be e-mailed to you along with instructions for completing the order.

Thank You for ordering your Mountain Exotic Gourmet™ Brand Yak Meats. Most ground freight orders will be shipped on Mondays to avoid weekend package layovers and spoilage. Shipping times are usually 2 to 4 days, depending on distance from Colorado. Most shipments are left without a signature being required. For ordering, airfreight and other shipping questions or instructions, please e-mail us at orders@yakmeat.us. Some whole loins aren't listed on this On-line Ordering page, but can be ordered by sending a “Comments” e-mail to us, describing your whole loin needs, and asking how to proceed. We will send a return e-mail with instructions.

Note: we do have a \$97 minimum meat order requirement on all orders to be able to ship at these rates.

Thank you for trying this wonderful new meat experience! Enjoy! Bob

NEVER EVER MICROWAVE! Your Yakmeat's flavor will be ruined and the health aspects of the meat will be violated!

Bake slowly in an oven or roast on a grill till rare! Remove and let rest for a few minutes before carving to retain juices! Close your eyes and savor the moment!!! **NEVER EVER MICROWAVE!** Your Yakmeat's flavor will be ruined and the health aspects of the meat will be violated!

While on the website www.yakmeat.us , check out the health aspects of the meat !! Healthier for you than skinless chicken and even fish !!

9 out of 10 people in blind taste tests prefer the taste of Yak to that of quality beef or Bison or Elk !!!

Please order, and promote this awesome meat!! Thanks, Bob
